

Pastoral Care: A Ministry of Immense Love

The parishes of our area are sponsoring a workshop for all those involved in Pastoral Care & Visitation ministries. Coordinated by the diocese, the goal of this workshop is to assist those who minister to parishioners who are separated from the worshipping community because of illness, age or other conditions that prevent them from gathering with us each week.

Recalling the compassionate and life-giving ministry of Jesus Christ, we are called to respond in a like manner to those who need additional care from us.

This workshop is open to anyone who registers ahead of time. Although there is a cost for participating, our parish will cover the expenses in order to encourage more and more generous people to offer themselves in these ministries.
